ALBA DE SIERRA 2012

D.O.: RUEDA – Spain

Grape varieties: 100% Verdejo, indigenous variety of the denomination.

Harvest: Performed mechanically and at night, in the third week of September 2012. .

Production: Upon receipt of the grapes and maceration of about 8 hours, we get the bleeding to run juice, which we used for the production of this wine.

Fermentation: Made of stainless steel tanks at temperatures of 14 ° C. Lasting 20 days.

Clarification and stabilization: Clarified with bentonite and cold stabilized during the month of January.

Bottled: In the last week of February 2013.

Alcohol: 12.5% Vol.

Cork: Synthetic, of 40 X 24.

Label: Original painting by Berta Español for Bodegas Peñafiel.

Tasting Notes:

Yellow-green, clean and shiny, waxy nuances. Frank and fresh nose, dominated by notes of the grape varietal Verdejo, green fruit, accompanied by nuances of tropical fruit and herbaceous memory. Long drink wine, with volume, elegant and slightly bitter finish. There a well integrated acidity brings liveliness and freshness.

Service Temperature: 8–10° C
