Brut Reserva 2010

Wine description

The Cava Brut Reserva is made from the traditional cava varieties Xarel.lo, Parellada and Macabeo, plus Chardonnay.

All grapes come from the Sumarroca estate. The soil is a mix of clay and limestone and the climate is Mediterranean with mild winters, rainy springs and warm summers.

Only free-run grape juice is used for this cava (approximately 50% of the grape juice). The second fermentation takes place in the bottle according to the traditional method.

Tasting notes

Bright straw yellow color with small persistent bubbles. Fragrant aromas of citrus fruits and apple combined with notes from the aging. On the palate it is fresh and crisp, mineral and with apple and fruit. Long and pleasant finish.
