Wine: White – 750 ml  
Variety: 100% Muscat of  
Alexandria  
Alcohol Volume: 11%  
Bottles/case: 12  
Residual Sugar: 10 g / L

Made from a **very special grape variety, ALEXANDRIA MUSCATEL**, whose selection, degree of ageing and painstakingly controlled fermentation, all enable its freshness, aroma and taste to be preserved much like a succulent delight, which, when tasted, leaves an unforgettable memory on the palate.

**FERMENTATION:** Light crushing of de-stemmed grapes, fermented in small-capacity stainless steel tanks at controlled temperature following film maceration.

**Colour:** pale, crystalline, bright.

**Nose:** fine and elegant, fully expressing the Muscatel variety, with overtones of musk, tropical citrus fruits and hints of fresh aromatic herbs.

**Palate:** Ample, very smooth and dry. Balanced, savoury, rich in fruity overtones, with an outstanding grape variety aroma at the back of the nose, making it a highly recognisable, superlative, and unique wine.

**To serve well chilled and paired with any seafood dish, salads, Asian food etc**
